COMMERCIAL AGREEMENTS

Longmores offers a comprehensive and high quality legal service for business clients, assisting them to achieve the contractual protections and security that is essential for a successful modern business. We pride ourselves on providing advice and solutions which are both effective and practical. Our clients never lose sight of their commercial objectives and nor do we.

Our team of qualified solicitors can advise on, negotiate and draft a wide range of commercial agreements. Regrettably, we regularly see business relationships which started well but turned sour, at which point we can help you understand and enforce your contractual rights.

Our expertise covers the preparation and enforcement of agreements relating to:

- Terms and conditions of business and trading
- Supply of goods and services
- Agency
- Distributorship
- Franchising
- Joint ventures
- IP and IT
- Licensing
- Dispute settlement
- Consultancy
- Information technology
- Partnerships
- Shareholder arrangements

- Confidentiality and non-disclosure
